

Rear of Rockery Farm,
113 North Bersted Street, Bersted

Demolition of storage buildings & erection of 1 No 3-bed cottage.

Planning permission: BE/16/20/PL

Condition Number: 8

Electric Car Charging Point

Condition 8 – Electric Car Charging Point

Condition 8 states:

Prior to occupation of the dwelling a scheme for the provision of facilities to enable the charging of electric vehicles to serve the approved dwellings shall be submitted to the local planning authority for approval and thereafter implemented in accordance with the approved details and the charge points shall thereafter be retained and maintained in good working condition.

Response:

There will be one electric car charging point within the integral garage.

The charger will be rated at 7kW to provide a 3-7 hour EV recharge
