Window Details

Condition 11 – Window Details

Condition 11 states:

No development above damp proof course level (DPC) shall take place until details of all joinery work (i.e. wooden windows on plans) shall be submitted to and approved in writing by the Local Planning Authority and once agreed, implemented in full accordance with the agreed upon plans/designs.

Response:

As with the new build rear of 95 North Bersted Street the intention is to use wood grain effect, English Oak finished, uPVC windows, as per the example below:
