Subject: Proposed Solar Farm, Shripney

Cian,

Thanks for your time last week.

Further to our discussions, please see attached a plan showing a focus detailed with regards to the relationship of the proposed fenceline and panels to the Rifes along the southern boundary of the site. These show the fenceline to be over 10m away. [REDACTED]

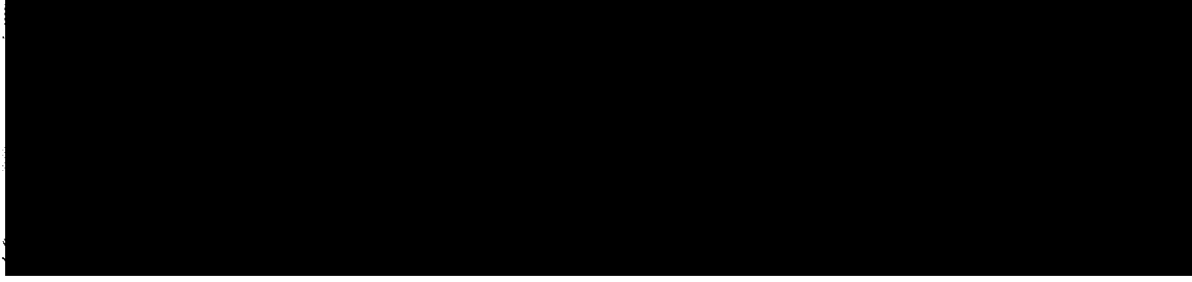

We have also reviewed the various comments, and would be happy to have any outstanding matters dealt with via appropriate conditions.
