Afternoon Richard,

It has come to our attention that the Council has not been informed of the commencement of development at Manor Farm, Shripney for a solar park permitted under reference BE/63/14/PL. Condition 4 required the applicant to notify the Council of the commencement of the proposal within 14 days. Unfortunately due to the Christmas break and discovery of a badger outlier on site requiring an additional surveys and checks, this requirement appears to have been missed.

Please accept our apologies and formal notification to the LPA that contractors commenced work on site on the 15th December.

Please do not hesitate to contact myself or my colleague Tim, for further discussion or clarification.

Regards,

Rachel
