27th June 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline planning application with some matters reserved (Access only) for 20No. houses & flats, 1No. replacement dwelling (21No. units in total) with car parking, landscaping & associated infrastructure & access off Shripney Road (A29), following the demolition of the existing dwelling & outbuildings. This application is a Departure from the Development Plan

The Cottage Shripney Road Bognor Regis

Thank you for your internet representation made on 26th June 2017 which has been recorded as '**an objection**' with the comments as follows:

as a local resident for 34 yrs I am well aware of the hazards on this extremely busy road and the proposed +20 dwellings with access opposite our accesses onto a29 robin hood, it will add to danger & more chaos for the residents and other users on this narrow rd through Shripney. the traffic has vastly increased and so have accidents. outside my home. Traffic delays taking children to school getting out onto the rd opposite Robin Hood PH. with proposed development will be a nightmare coupled with the hold-ups at crossing and the proposed development is outside the designated built up area both in your current and emerging plans. This is not a practical site on an extremely sharp bend with heavy fast traffic not sticking to 40mph is accidents waiting to happen. not forgetting this end of Shripney is the worst for flooding, where is the water going if more buildings on this site its time the people living in this area were considered with all the problems Lidsey & Shripney have had over the years. WE DO MATTER Too.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
