Mr S Davis

30th June 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline planning application with some matters reserved (Access only) for 20No. houses & flats, 1No. replacement dwelling (21No. units in total) with car parking, landscaping & associated infrastructure & access off Shripney Road (A29), following the demolition of the existing dwelling & outbuildings. This application is a Departure from the Development Plan

The Cottage Shripney Road Bognor Regis

Thank you for your internet representation made on 29th June 2017 which has been recorded as '**an objection**' with the comments as follows:

I am very concerned about the possibility that this proposed development may be permitted. If this is the case, then I would like to know whether a 'duty of care' for both officers and elected members exists? I feel that another application in the village of Shripney continues to put local residents' and road users' lives at risk on a daily basis. The current application will do similar and I would consider it 'reckless endangerment' to allow it to be approved.

Whilst there is no Local Plan in force, it surely does not mean that inappropriate development can go ahead? When I was involved with our Neighbourhood Plan, I attended a session at The Design Council in London where the emphasis was on providing safe and pleasant places to live. This is not it and I really do hope (and trust) that both officers and members realize this before this dangerous road claims more lives.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
