Subject: RE: Planning Application BE/63/17/OUT - The Cottage, Shripney Road, Bognor Regis

Dear Emma

I refer to your email below and please find attached our Technical Note which details the further speeds surveys undertaken in the two locations you requested below.

The surveys were taken outside the holiday period and during term time as requested and showed an 85th percentile in the leading direction lower than those recorded in April 2017. The latest surveys also showed that the two way flows are lower outside the holiday period.

As two surveys have now been undertaken which both show speeds in the leading direction below 37 miles per hour, I would be grateful if you would remove your holding objection to the proposals.

I have also copied this response to Simon Davis at the Planning Authority.

If you have any further queries, please do contact me.

Kind Regards

Chris Saunders | Associate
