Dear Simon,

I refer to your email of 27th September, which provided the latest comments from the Tree Officer.

The applicant's team have now updated the illustrative site layout plan so as to address the additional issue that has been raised. I therefore have pleasure in providing you with a copy of the further updated layout drawing; plus a revised version of the Tree Report, which has been prepared by Arbortrack.

I would be grateful if you could re-consult with your Tree Consultant on this basis, and we trust that he will now find our proposals to be entirely satisfactory from an arboricultural perspective.

I would be grateful if you could acknowledge receipt of this email and its attachments.

Best regards,

TIM RODWAY
