Dear Simon,

My client has agreed to the requested additional extension of time, as set out in your email of this morning. I trust that this is satisfactory.

Would it be possible to have sight of your committee report as soon as it has been finalised and agreed? (i.e. and not wait until the agenda is published)

I note your email reply to my client of earlier today, and specifically the comments regarding pre-Committee discussions with Members. Please let me know if there is anything we can do to assist.

Best regards,
