Dear Mr Barrow,

I apologise for the delay and I do not believe the previous email went through. On the 27/08/2020 I emailed explaining that the site notice was delayed going up and as such requested an extension of time to cover the publication period on the application. Can you agree to the extension of time until the Friday (18/09/2020)?

With regards to the objection, whilst we have considered their views we do not believe there is sufficient light lost to the extent of detriment to the application.

Kind regards

Finlay Gardner

Dear Mr Gardner

I have seen there has been a objection from the neighbour.

They had previous said to the client they had no objection and now have. They say it will block light. This is at the end of the garden far away from there house.

Is this objection being looked into.

Kind regards
