Subject: FW: BE/65/17/EIA Scoping Opinion and Local Plan Sub Committee meeting for 3rd July 17

Good morning Lucy,

Following our planning meeting last night (minute 17054) I can confirm on behalf of Bersted Parish Council that it has been agreed by Council that that scope set out by the applicant is satisfactory for the present. We look forward to receiving their report and will then make comment once we have reviewed their findings.

It has been brought to our attention that there is to be a Local Plan Sub Committee meeting scheduled for Monday 3rd July, where the report containing a summary of the representations that have been received to the consultation will be summarised.

Please confirm if we or members of the public can attend?

Kind regards
Debbie Holcombe

Dear All,

Please see the email below from the Planning Officer below and her comments. You have 14 days to comment up to 8 June, so it will not be able to be discussed at the June Council Meeting. It will be on the June Planning Agenda.

Sue

Hi Sue,

This is a consultation for a request for a scoping opinion, so not a planning application (the very early stages of one if you like), so we are at this stage looking for comment only on what you think an environmental statement accompanying a planning application for the proposed development should contain in terms of environmental impact assessment.

The scoping process has a quick turnaround time, where the LPA need to issue a 'Scoping Opinion' within 5 weeks of the request made by the prospecting applicant. I need to respond with the LPAs Scoping Opinion by the 19th June, so if I could have your comments on what you think ES should assess (or even confirming if you are satisfied with the scope set out by the applicant) within 14 working days (so by the 8th June) I would be very grateful.

I hope that helps.

Kind regards,
Lucy.

Hi Lucy,

Can you tell me when comments need to be in by, as the email to the clerk informing us of this application does not say. The web only says a decision by 19.6.17.

Many thanks
