Re Planning Application BE/66/18/PL Chalet known as The Barn Shripney Lane
1 Nye Cottages Shripney Lane.

Dear Sirs

I am still opposing the above application but on taking some advice on the matter if application is granted could there be a proviso of no noise after 11pm, have consideration for the neighbours. Have they got a full fire safety certificate as the chalet is all wood with trees and shrubs all round (which are never cut well not in the last 15 months) plus there is a wood burning stove in the property. Definitely no parking on the driveway as my neighbours have access to this at all times.

Yours sincerely
