Hi, we have a team who would benefit from a lift/ elevator in the building, who currently have to use the stairs to get to our office (there are no downstairs offices in the building). We are also an equal opportunities employer, but at present we would be unable to recruit / onboard someone who needs wheelchair access to our office. Therefore, I support htis application.

Unfortunately, it is not possible for the council to respond to comments on planning applications but your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. The website is updated once a day in the evening so it may take up to 24 hours for it appear on there. The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has

been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>
