Subject: BE/67/18/PL - Barton County Infant School

Hi Simon,

The Planning Committee have no objection to the variation to condition 3, but have asked why the buses use Rowan Way to drop children off when the paper work lodged shows several drawings showing turning points at the school entrance for buses. You may be aware that some members feel the buses cause an obstruction with the way the park at drop off and pick up times. Do you have any further information on this.

Thanks

Sue O'Connell
Deputy Clerk
Bersted Parish Council
