

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Arun District Council FAO: Simon Davis
FROM:	Highways, WSCC – Matthew Bartle
DATE:	15 August 2018
LOCATION:	Bartons County Infant School Romney Broad Walk Bersted PO22 9BH
SUBJECT:	BE/67/18/PL Variation of condition 3 following approval of BE/49/17/PL to allow the continued use of Bartons County Infant School & retention of temporary buildings until 31st September 2019.
RECOMMENDATION:	☒ Advice ☐ Objection ☐ Modification ☐ No Objection ☐ More Information ☐ Refusal

On 16 July the highway authority wrote:

If there is no (shuttle bus) bus provision, the implication from the transport statement is that nearly all attendee journeys will be by car. We would not accept such a scenario because it would lead to severe congestion on surrounding roads. It is assumed that most attendees live remotely from the temporary school site.

We need assurance of bus provision before responding positively to the proposal.

On 18 July the applicant's consultant wrote:

The ESFA can confirm that buses will be in place if there is the need to use the Barton Primary School site should the permanent site (former Carmelite Convent) infrastructure not be in place for September 2018 opening.

In the light of this commitment, the highway authority does not object to the proposed continued use of the school until 31 September 2019.

If it is possible to condition compliance with the Travel Plan dated May 2018 and also provision of the shuttle bus services this would be appreciated, although it is not essential.
