Dear Arfon,

No issues have been raised by any of the consultees and I also note that the Parish Council have no objection therefore this would be a delegated decision. I am still awaiting comments from Landscape and Ecology and I will chase these. However, I don't foresee these raising any concerns so I feel confident that we can support the application.

Kind Regards

Dear Simon

I trust you had a good week of leave.

You are dealing with the above application of ours for which the consultations end this week. So far I see no objections from the consultees that have responded. If you can confirm to me next week whether there are any issues and if you have any ideas of timescale, that would be appreciated.

Kind regards

Arfon Hughes
