Dear Arfon,

As you will have noted from her out of office message, Amber is away this week. However, I note the application expiry is not until the 30th July so I would imagine that Amber will issue a decision sometime in July. Please note though that I don't manage Amber so I really don't know when she is scheduled to work on it or what else she has to do prior to this one.

Kind Regards

Dear Amber/Simon

Further to my email of 11th June I haven't heard back from you and I note that the application is still marked as undetermined. Are you able to update me please on a likely decision date?

Many thanks

Dear Amber

I note that you are now the case officer for the above application. I had correspondence with Simon last week that indicated that he was looking at the application positively, subject to the landscape/ecology response from Greenspace. I note that this has now come back and is positive. Are you now therefore able to advise on when you expect the application to be determined? Many thanks

Kind regards

Arfon Hughes
