I have read the statements and seen the plans and I don't find the proposed bungalow to be an issue. It's not too big, and would positively contribute the community of the lane. Even though it will not be very visible from the lane anyway, I think the changes that have been made will make it fit in much better and it will be ideal for older people.

We live in close proximity to the site and it will have no affect on us. We would like to see this go ahead for the couple, who are well into their retirement.

Your views as made above will be considered before the application is determined.
