Subject: RE: Planning Consultation on: BE/69/21/PL

Dear Sirs,

EH comments below for the above planning application with reference to the Arun District Council Environmental Health Planning Conditions;

Planning Conditions

Construction Management Plan

The development shall be carried out in accordance with the 'Arun District Council Construction Code of Practice: For small developments in Arun', available from: [download.cfm \(arun.gov.uk\)](https://www.arun.gov.uk/download.cfm)

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adopted Arun Local Plan 2011 – 2031

Electric Vehicle Charging Point

Prior to occupation of any of the dwellings, a scheme for the provision of facilities to enable the charging of electric vehicles to serve the approved dwellings shall be submitted to the local planning authority for approval and thereafter implemented in accordance with the approved details and the charge points shall thereafter be retained and maintained in good working condition.

Reason: New petrol and diesel cars / vans will not be sold beyond 2040, and to mitigate against any potential adverse impact of the development on local air quality, in accordance with policy QE DM3 (c) of the Arun Local Plan, the Arun District Council Electric Vehicle Infrastructure Study (November 2017) and the National Planning Policy Framework (NPPF).

Construction Hours

No construction / demolition activities shall take place, other than between 08:00 to 18:00 hours (Monday to Friday) and 08:00 to 13:00 hours (Saturday) with no 'noisy' work on Sunday or Bank Holidays

[In addition to these hours of working the Local Planning Authority may approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition]

Notes: the words in square brackets may be adjusted to reflect site specific constraints

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Adopted Arun Local Plan 2011 – 2031

Lighting

No external lighting shown on the submitted plans shall be installed until details have been submitted to, and approved in writing by the Local Planning Authority prior to the commencement of the development. This submission shall include a layout plan with beam orientation and a schedule of light equipment proposed (luminaire type; mounting height; aiming angles and luminaire profiles). The approved scheme shall be installed, fully assessed by a competent individual when operational to ensure no light creep / bleed, maintained and operated in accordance with the approved details unless the Local Planning Authority gives its written consent to the variation.

Reason: To protect the appearance of the area / the environment and wildlife / local residents from light pollution.

Potentially Contaminated Land

If during development, any visible contaminated or odorous material, (for example, asbestos containing material, stained soil, petrol / diesel / solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, no further development (unless otherwise expressly agreed in writing with the Local Planning Authority) shall be carried out until it has been fully investigated using suitably qualified independent consultant(s). The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented. If no such contaminated material is identified during the development, a statement to this effect must be submitted in writing to the Local Planning Authority.

Reason: To protect the amenity of local residents in accordance with Policy QE DM4 of the Adopted Arun Local Plan 2011 – 2031

Kind regards

This application has been identified as CIL Liable. Therefore please be aware that, in accordance with Appendix 2 of the Arun CIL Charging Schedule, your consultation response should only include requests for Section 106 for onsite mitigation, Pagham Harbour Management Contributions (if applicable) or Affordable Housing. "Off" Site mitigation measures directly related to this development should be dealt with by condition if possible to ensure the scaling back of Section 106 if possible. CIL contributions will be used for "off" site infrastructure mitigation schemes. Therefore if this proposal triggers the need for "off" site mitigation, please ensure that you engage in the CIL Infrastructure List Consultation process upon receipt of a consultation letter.

Should you have any comments to make, these should be sent by replying to this email by 11th June 2021. You can also monitor the progress of this application through the Council web site:

www.arun.gov.uk/planning.

The application will be determined having regard to the development plan policies (if any are relevant) and other material considerations. The development plan can be accessed via the website

<https://www.arun.gov.uk/development-plan> as can the leaflet how to respond to planning applications

<https://www.arun.gov.uk/planning-application-comments> which deals with material planning considerations.

Please be aware that any comments you may make will be available on our website so please do not insert personal details or signatures on your reply.

Should the application go to appeal the Planning Inspectorate will publish any comments made to the Council on their website: <https://www.planningportal.co.uk/info/200207/appeals> but they will protect personal details.
