Subject: RE: Prior approval for rear extension at 421 Chichester Road, Bersted

Dear Mrs Johnson

The rear ramp shown on the drawings is not related to this application for the single storey rear extension.

The materials for the proposed extension will match with the existing property.

Many thanks

Mr Barker,

I am currently working on the above application and notice that on the proposed floor plan, level platforms and a gradient are shown.

Are these to be included within the description of the proposed works?

Also, please confirm the materials that will be used for the single storey rear extension.

If you have any questions, please let me know.

Thank you,
Mrs Johnson
