Dear, Karl Roberts

As per attachment you take this matter of genuine local employment seriously upon planning then our residents will have funds to not just struggle to pay rent. Hence if wages are not 16hr week but exceeding 30hrs then there would be surplus money around town for restaurants, pubs and small shops. Furthermore if much less were on zero hour contracts the burden on our council for housing benefits because on low income would be much reduced ending these factories/packhouses getting a subsidy workforce on the cheap.

Lastly I have no concerns about my comments being available for public access but note I intend to lobby more ahead of 2015 elections.

Regards
D Hedger
