Dear Lisa,

Further to a conversation with your colleague today. Please accept our apologies for the delay, we are chasing our client Halfords on a daily basis, unfortunately this decision has been escalated to Head Office therefore I cannot confirm the option just yet; I will endeavour to provide an answer as soon as possible.

Dear Sir/Madam,

I have submitted an application for the above site via the planning portal today. I have paid the fee on credit card via your website. In the 'supporting documents' section of the application form, I have included 'proposed visuals' both option A and option B. Our client Halfords are likely to go ahead with **option A**, however we have included option B as an alternative.

Should you require further info please don't hesitate to contact us.

Many Thanks.
