

DECISION NOTICE

Application Ref: BE/74/20/PL

1 To Addressee

Mr S Jupp
Sally Field Lodge
Rotten Row
Sidlesham
West Sussex
PO20 7QB

2 Site Address

Rear of Rookery Farm
113 North Bersted Street
Bersted
PO22 9AG

3 Description of Development

Variation of condition 2-plans condition, following the approval of BN/16/20/PL for amended floor plans & elevations.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions.

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the 7th May 2020 (being the date that planning permission was granted for BN/16/20/PL).

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

Dwg.no. 1 - Location Plan 11.02.2020
Dwg.no. 2 - Proposed Block Plan dated 11.02.2020
Dwg.no. 3A - Proposed Site Plan dated 28.04.2020
Dwg.no.15 - Proposed Floor Plan dated 21.07.2020
Dwg.no.16 - Proposed Elevations dated 21.07.2020
Dwg.no. 8 - Tree Protection Plan 11.02.2020

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.

- 3 No part of the development shall be first occupied until the vehicle turning space has been constructed within the site in accordance with the approved site plan. This space shall thereafter be retained at all times for their designated use.

Reason: In the interests of road safety and Policy T SP1 of the Arun Local Plan.

- 4 No construction activities shall take place, other than between 08:00 to 18:00 hours (Monday to Friday) and 08:00 to 13:00 hours (Saturday) with no noisy working activities on Sunday or Bank or Public Holidays.

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of the Arun Local Plan.

- 5 If during development, any visible contaminated or odorous material, (for example, asbestos containing material, stained soil, petrol / diesel / solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, no further development (unless otherwise expressly agreed in writing with the Local Planning Authority) shall be carried out until it has been fully investigated using suitably qualified independent consultant(s). The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented. If no such contaminated material is identified during the development, a statement to this effect must be submitted in writing to the Local Planning Authority.

Reason: To protect the amenity of local residents in accordance with Policy QE DM4 of the Arun Local Plan.

- 6 Noise from any pumping station shall not exceed 45dB LAeq (15mins) with no tonal components evident at the boundary of the nearest noise sensitive property. When assessed by a competent acoustic engineer, the Vibration Dose Value (VDV) shall not exceed the applicable 'low probability of adverse comment' level for the test environment in question (i.e. residential buildings, offices, workshops) contained within BS 6841:2008 (Guide to evaluation of human exposure to vibration in buildings - Part 1: Vibration sources other than blasting) inside the nearest property. A test or prediction of the noise levels and a test or estimation of the expected vibration environment to demonstrate compliance with the levels shall be undertaken within 3 months of the development being implemented.

Reason: To protect the amenity of local residents in accordance with Policy QE DM1 of the Arun Local Plan 2011 - 2031.

- 7 No part of the development shall be first occupied until the car parking has been constructed in accordance with the approved site plan. These spaces shall thereafter be retained at all times for their designated purpose.

Reason: To provide car-parking space for the use and to be in accordance with T SP1 of the Arun Local Plan.

- 8 The recommendations and enhancements requested by the Council's Ecologist shall be implemented in full prior to the completion of the development and be retained thereafter.

Bats

The lighting scheme for the site will need to take into consideration the presence of bats in the

local area and the scheme should minimise potential impacts to any bats using the trees, hedgerows and buildings by avoiding unnecessary artificial light spill through the use of directional light sources and shielding.

Non bitumen coated roofing membranes should be avoided.

Three bat bricks shall be integrated into the building onsite facing south/south westerly positioned 3-5m above ground.

Nesting Birds

Any works to the trees or vegetation clearance on the site should only be undertaken outside of the bird breeding season which takes place between 1st March - 1st October. If works are required within this time an ecologist will need to check the site before any works take place (within 24 hours of any work).

A bird box must be installed on the building/and or tree within the garden of the property.

Enhancements

A number of enhancements must be incorporated within the scheme and shown with the landscaping strategy. These include;

- Any trees removed should be replace at a ratio of 2:1
- Wildflower meadow planting used.
- Filling any gaps in tree lines or hedgerows with native species
- Grassland areas managed to benefit reptiles.
- Log piles onsite
- Gaps are included at the bottom of the fences to allow movement of small mammals across the site
- Hedgehog nesting boxes included on the site

Reason: To ensure the acceptable management of the landscaping on the site in accordance with Policy D DM1 of the Arun Local Plan.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Decision Issued: **14th September 2020**

Arun District Council
The Arun Civic Centre
Maltravers Road
Littlehampton
West Sussex BN17 5LF

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
