Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/77/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of 3 No existing lean-to structures & erection of single storey side & rear extensions, loft conversion to form new second floor with roof alterations to form gable end with rear dormer projection & detached outbuilding to be used as an annexe to the existing dwelling (resubmission following BE/37/21/HH).

Thank you for your internet representation made on 23rd May 2021 which has been recorded as an objection with the comments as follows:

OWPC36591

We would once again express our concerns for the resubmitted unchanged proposed extension plans to 19 South Way, which it should be noted has already received over 20 objections from neighbouring properties resulting in the refusal of the first application.

Our reasons for objection are as follows:

Inadequate access and highway safety, property located at the end of a junction where safe parking is an issue.

Inadequate parking and servicing, current property only offers one off road parking space, with at least seven new occupants, comes a huge increase to the number of vehicles, where there are already huge parking issues.

Noise and disturbance from proposed development.

Overbearing nature of proposal, the increase from three to seven bedrooms hints at the property becoming a HMO rather than a residential property.

Overlooking or loss of privacy for neighbouring properties

Risk of creating a precedent, with such a large development not in keeping with the residential area.

Increased traffic generation on an already busy road, which is both a Bus Route and a school pick up hot spot, which causes multiple parking issues already.

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
