Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/77/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of 3 No existing lean-to structures & erection of single storey side & rear extensions, loft conversion to form new second floor with roof alterations to form gable end with rear dormer projection & detached outbuilding to be used as an annexe to the existing dwelling (resubmission following BE/37/21/HH).

Thank you for your internet representation made on 17th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37526

Our objections remain as previously stated. This is a residential road which is on a bus route and also carries a large volume of traffic particularly to and from the schools. At certain times of the day when children are being dropped off or picked up from school the road gets extremely congested with cars parked on either side of the road. We feel that if the planning application for this HMO is permitted it will add to the parking problems already being experienced by the residents of South Way and adjoining roads. We also feel that if this is permitted it will set a precedent for future applications of a similar nature which we strongly oppose.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
