Further WSCC Highways comments

Hi Simon,

As long as the access is not changing from that previously approved then the LHA would raise no concern to the proposals. I think as you suggest below an informative should be added to insure this.

Kind Regards,
Emma

Re-consultation Request for Emma Avis

Dear Emma,

In response to your consultation comments of 28/08/20, I do agree that it looks on the plans (when comparing this versus approved) like the access is changing slightly. However, the applicant has confirmed (as attached) that there are no changes to the access.

We could add an informative that states that the Planning Permission does not authorise any changes to the access which was approved by BE/63/17/OUT (as amended by BE/131/18/PL) and any changes to it would need to be agreed through a variation of the outline permission.

Kind Regards
