James,

That is fine but please re-assure me that that will be the last EOT and that you have recommended it for approval.

Many thanks,

Hi Stuart,

My line manager has asked if we could agree an extension of time until next Wednesday (20 May 2020)?

I would be grateful for your confirmation at your earliest convenience.

Hi Stuart,

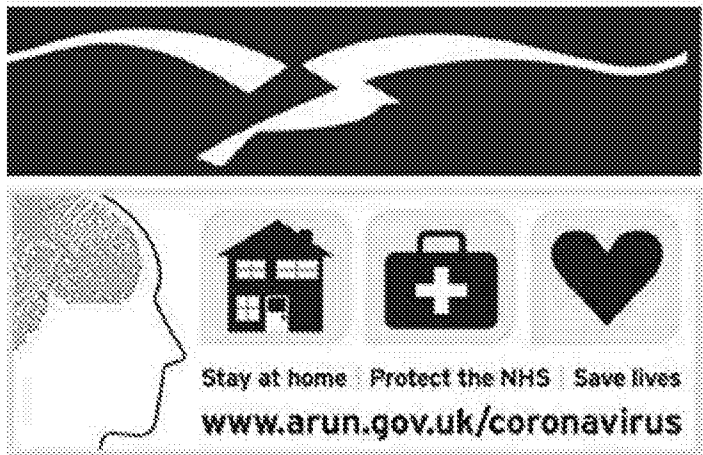

Yes all keeping well here thanks. Strangely working from home has just become the new normal now – it's going to be very odd going back to the old ways of working.

Unfortunately we won't be able to issue the decision until 07 May 2020 at the earliest. However, the application is all written up and ready to be issued – we're solely just waiting for the statutory consultation period to run out.

I hope this clarifies matters and my apologies for not being able to rush this along any sooner.

Kindest regards,
