Mr White said the following in an email:

"Good Afternoon,

Thank you for your email. I am sorry to the time taken to respond to you. I have spoken to a colleague in Development Management (the team Leader for the west Development Management), and he has confirmed that you would need to submit a new application for the amendment to the building as it has been some time and there is no other way to amend an existing approval. He also stated that the relevant information of plans etc would be required in addition to the form so that we can properly assess the proposal."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
