

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management
Procedure) (England) Order 2010 (as amended)

Application for Planning Permission

DECISION NOTICE

Application Ref: BE/81/13/

1 To Addressee

Miss O Collett
Berkley Homes Southern Ltd
Berkeley House
Summers Place
Stane Street
Billingshurst
RH14 9GN

2 Site Address

Site 6
Chichester Road

3 Description of Development

Variation of Condition No. 2 following a grant of planning permission BE/122/10 - proposed house types.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to compliance with the conditions specified.

1

The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

The development hereby approved shall be carried out in accordance with the following approved plans:

Location Plan [ref 1777-A-1001-B]
 Site Layout Plans [ref 1777-C-1005-N & 1006-M]

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy GEN7 of the Arun District Local Plan.

- 3 The development permitted by this planning permission shall only be carried out in accordance with the approved Environmental Statement (October 2010/project reference 12260816-002/WSP) and the following mitigation measures detailed within the Environmental Statement:

1. As identified within section 11 of the ES "Ecology and Nature Conservation" parts 11.5.10, 11.5.11, 11.5.12, the water vole mitigation proposed shall be followed. Prior to works commencing a water vole survey will be required, undertaken by a suitably qualified ecologist. If field signs are confirmed a scheme for mitigation shall be submitted for approval to the Local Planning Authority.

Reason: This condition is necessary to protect the water vole (*Arvicola terrestris*) and its habitat within and adjacent to the development site. Without it, avoidable damage could be caused to the nature conservation value of the site contrary to national planning policy. The applicant could also be liable to criminal prosecution under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000).

- 4 The Construction Environmental Management Plan (CEMP) submitted to the Local Planning Authority on 28th January 2008 shall be adhered to in the development hereby approved, and this shall include the undertaking of risk assessments as detailed construction methods become known, and the production of method statements to be developed to control the risks identified. These assessments and method statements shall be made available to the Local Planning Authority at any time on its request. Should the Authority not agree with any such risk assessment or method statement, then it shall be revised and represented to the Authority for its written approval.

Reason: To ensure that development adheres to the Environmental Statement which formed part of the outline permission BE/54/04, which the current application is intended to support.

- 5 All garages, (including any integral garages), parking spaces and cycle parking facilities shall be provided in accordance with the approved plans prior to the occupation of the dwelling (s) which they are intended to serve. Thereafter they shall be permanently retained for vehicle and cycle parking purposes.

Reason. In the interests of highway safety and to ensure that facilities are provided and retained for a range of transport modes in accordance with the NPPF.

- 6 Details of the siting and size of the storm water tanks shall be submitted to and approved in writing by the local planning authority before development is commenced.

Reason: To ensure the proper drainage of the site in accordance with policy GEN9 of the Arun District Local Plan.

INFORMATIVE: The applicant is advised that, as from 6 April 2008, the submission of a 'Site Waste Management Plan' (SWMP) is mandatory for all construction projects in England with a project cost greater than £300,000 (excluding VAT) under the provisions of Section 54 of the Clean Neighbourhoods and Environment Act 2005. Further information on the requirements of SWMPs and how they should be applied in practice can be obtained from DEFRA, 6/F7 6D, Ergon House, Horseferry Road, London, SW1P 2AL, Tel. (0207) 2384847 or at their website: www.defra.gov.uk/constructionwaste

INFORMATIVE: The applicant should note that under Part 1 of the Wildlife and Countryside Act 1981, with only a few exceptions, it is an offence for any person to intentionally take,

damage or destroy the nest of any wild birds while the nest is in use or being built. Birds nest between March and September and therefore removal of dense bushes, ivy or trees or parts of trees etc. during this period could lead to an offence under the act.

Case Officer: Mr N Crowther

Date of Decision:

27 January 2014

Karl Roberts

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

**NOTES RELATING TO PLANNING APPLICATION
TOWN AND COUNTRY PLANNING ACT 1990
APPEALS TO THE SECRETARY OF STATE**

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the First Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

For all other cases, if you want to appeal, then you must do so within 6 months of the date of this notice using a form which you can get from the Secretary of State at the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or on line at www.planningportal.gov.uk/pcs

If this decision is a refusal relating to a minor commercial development, where the application was made on or after 1 October 2013, please note that you must appeal within 12 weeks of the date of this notice. For a definition of minor commercial development please refer to The Town and Country Planning (Appeals) (Written Representations Procedure and Advertisements) (England) (Amendment) Regulations 2013 or contact this office for clarification.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town &

Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
