Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: BE/81/20/OUT
Site Address: Chalcraft Nursery Chalcraft Lane Bersted PO21 5TS
Description of works: Outline application with some matters reserved for the development of 20 residential dwellings, 2,240 sqm of commercial space (Use Class A1, B1(b) B1(c) and B8), landscaping, access, parking and associated infrastructure

Thank you for your internet representation made on 30th August 2020 which has been recorded as an objection with the comments as follows:

OWPC29304

We are a resident of Chalcraft Lane and find it hard to understand how so many new houses can be built with such little infrastructure as we are not connected to the main sewage line as it is not available for our home yet by the side of our home 2 houses are proposed with no offer to upgrade the existing homes with a minimal requirement of mains drainage!

The traffic on Chalcraft Lane is becoming very congested with cars etc most of which exceed the speed limit and road calming measures are not planned. Two house in the now access road to the nursery is excessive and will invade the privacy of the homes on either side.

Your views as made above will be considered before the application is determined.
