### Comment from Greenspace

Condition 5 on this application BE/83/15/DOC relates to hard landscaping therefore Greenspace have no comment to make re the discharge of this condition.

We would however confirm that the species choice indicated for the soft landscaping being chosen as Photinia x Fraseri Red Robin at the size stated would be suitable choice for the adjacent location. The only addition to this is that we would recommend that the quantity are specified as a number rather than just stated as 2no/linear metre.
