Dear Rachel,

I had already drafted the notices based on the originally submitted schedule when I emailed you regarding the concrete slab. Therefore I only made a change to the wording following receipt of the amended schedule in respect of the slab.

I have no concerns with the two 'changes' since they represent what was submitted to us and I hope you will consider this email to be sufficient in confirming this. I've confirmed this with my team leader Mr Daniel Vick.

Kind Regards

Simon

Thank you for issuing the decision notices so promptly.

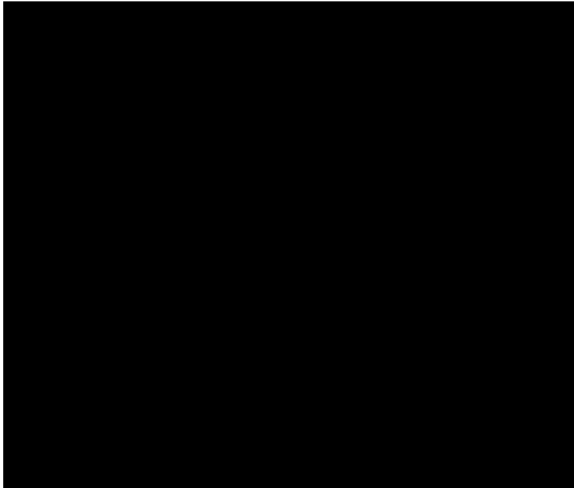

The architect has come back with a couple of points relating to the condition 3 decision notice (I attach it here for your reference).

- i. Item 2: The architects are using a Blue Engineering Brick (as opposed to Red).
- ii. Item 3: The specified material is "Kingspan Optimo Flat Architectural Wall System – KS600."

I understand that both of these are illustrated on the revised materials schedule, which Vanessa sent through to you this morning.

Please do give Vanessa or me a call if you would like to discuss.

Thank you and kind regards
