Dear Mr Long,

Proposed extension at 17 Frandor Road, Bognor Regis.

Thank you for your email, which was received in this office on 16th May 2008.

After careful consideration, I am of the opinion that the principal of a single storey extension to the north side of No. 17 Frandor Road would would be likely to receive a favourable officer recommendation from this authority. I would advise you however; that due to the prominent corner location of this site I would raise concerns over a flat roofed extension. Although in the absence of details plans I am unable to confirm this.

It should be appreciated that the above comments are the opinion of an Officer of the Council only and cannot in any way prejudice the ultimate decision reached on any application submitted which will of course be considered on its own merits, and any representations received from interested person would be taken into consideration.

I trust this information is of some assistance, however if you would like to discuss any of the matters raised in this email further, please do not hesitate to contact me on the above address.

Yours Sincerely,

Claire Forrest BA (Hons) Dip TP
