Subject: RE: BE/86/20/NMA - Salt Box

Michael,

When I said landscape, I meant the landscape within the confines (and just outside) of the unit 2 demise, so the yard, car-park and other hard landscaping. So only those levels shown on drawing 1744-U02-P02-A.

The levels on the above drawing have been adjusted to suit the levels agreed as part of the drainage conditions, just to make sure the drawing submitted tallied with those discharged already.

I hope this clarifies, sorry for any misunderstanding

Kind regards

Michael

Michael,

The non-material amendment application (**BE/86/20/NMA**) which you have submitted for Salt Box includes adjustments to the landscape layout and levels, however you have not submitted any plans of the amended landscape layout or details of the revised levels.

Please could you submit the plans of the amended landscape layout and the details of the revised levels and set out an explanation as to why these changes are required.

Kind regards,

Michael
