Please could you upload the following e-mail and attachment to the application folder BE/86/21/PL as 'Revised Ownership Certificate'? It is only p.12 of the attachment that's relevant.

The agent has explained to me that Certificate B should have been completed and not Certificate A. He has stated that Notice was served yesterday on the three other landowners. He has also agreed to an extension of time for the Council to determine the application, as the 21 day period for the landowners to comment will go beyond the current expiry date (27-07-21).

Many thanks

Raymond,

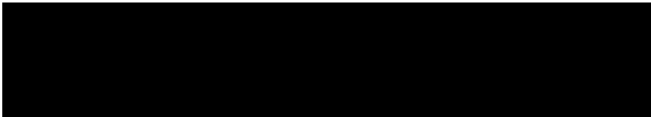

Thanks again for your time earlier.

Following our call, please find attached updated application form. I confirm that we have issued three notices today to the other landowners.

I am happy to agree an extension of time until 10th August. If the application can be determined as soon as possible after the end of the 21 day period I would be grateful.

Regards
