Subject: Re: Request for further information BE/87/20/L

I understand in normal circumstances that protection needs to be given to the existing Listed structure however the property has previously been substantially extended twice to the rear so the proposal does not come close to the older part only coming into contact with only the newer additions which look to have been added around the 1970's although your records may show the years more accurately.

A Method Statement will only confirm this. Is that what you require?
