Dear Sirs

Nursery Fields Landscape and Visual Assessment BE/20/148/OUT

Cooper Landscape Planning are the authors of the Landscape and Visual Assessment (LVA) which accompanied the planning application for this site in 2020, which we understand has been refused, and is currently being resubmitted in May 2021.

We have reviewed the tree officer's consultation response of 18 January 2021, the Tree Preservation Orders, the amended parameter plan and the officer's refusal report and confirm that there is nothing in these documents that changes the professional advice contained within the LVA that was submitted as part of application BE/20/148/OUT.

Yours Faithfully

Julian Cooper
