Dear James,

Please see below the comments that will be loaded onto ADC planning portal for this application.

RESOLVED to make the following comments to Arun DC: - NO OBJECTION but make the following comment.

This application as far as highways is concerned will not have a severe impact on Chalcraft Lane. However, the wider site of "west bersted" when it comes forward will. We request any mitigation scheme for Chalcraft Lane needs to be carefully thought out with the appropriate infrastructure in place.

Kind regards

Sue O'Connell

Hi Debbie,

My apologies for rushing you on this one, but would there be any chance we are able to get the Parish's full comments back today/tomorrow? We're looking at completing our draft report this week and would like the Parish's comments to be included within this.

Kindest regards,

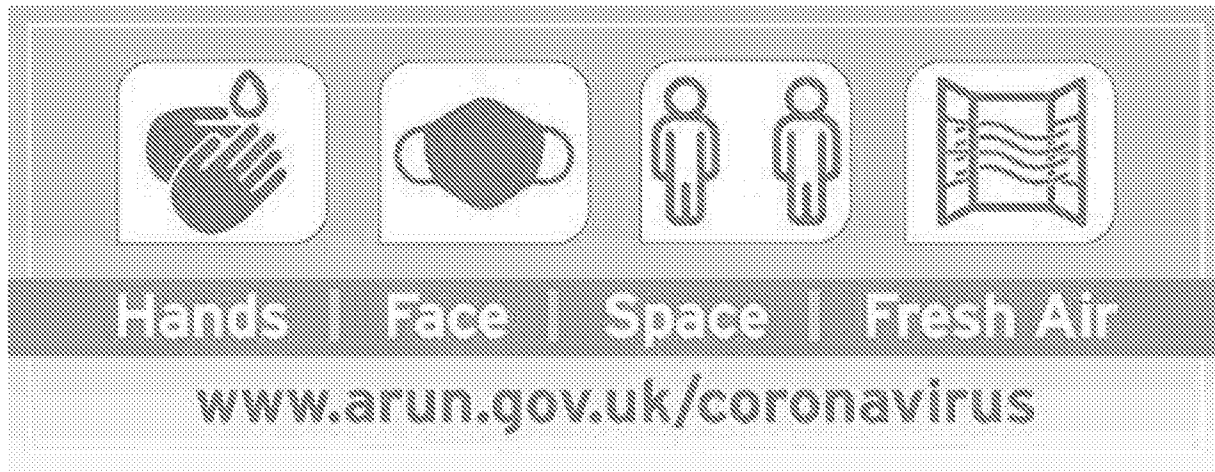

James Cross Msc, Bsc (Hons), LCGI TP.
