Dear Chris,

Noted. However my email was about the box of bricks that was left with us on 26<sup>th</sup> July. Do you intend to submit an application to discharge the materials condition? If so, when? This box is just sat here taking up space.

Kind Regards

Simon/ Martin ,

I am guessing from the email you are waiting for the soak away design to be sent to the drainage engineer I have spoken to Laura Gibbons since she returned from holiday and I think all she requires is a plan and images of the soakaway Martin has built and the building inspector approved . I am on holiday at the moment will be back 7th of November and intend to sort the plan of soakaway as soon as I get back so you / Laura should have it by mid November hope that is ok

Dear Martin,

I have a box of bricks in the office here that was deposited with us on the 26<sup>th</sup> July. I have left them next to me as I thought there would be a corresponding application to discharge the materials (condition 8) but to date none has been provided.

Application BE/88/18/DOC is with us but only seeks approval of the three drainage conditions and the site setup plan (conditions 3, 4, 5 & 6).

Kind Regards
