Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Proposed annexe
40 Norbren Avenue Bersted

Thank you for your internet representation made on 8th September 2018 which has been recorded as '**an objection**' with the comments as follow s:

This is a bungalow renamed as an annex, There are no other bungalows in the street it would be out of character. The area is extremely small only fit for a garage , are they allowed to build on the boundary line of the property? This will only contribute to the traffic parking issues at the end of Norbren Avenue , Is the old sewage pipes designed to take additional waste from an extra property ?

Unfortunately it is not possible for the council to respond to each representation individually but your view s will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

Do not include personal information or information from third parties unless you have their permission to do so.
