21st August 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

The change of use of land for the storage of building materials, equipment & plant & for the parking of 2no. articulated vehicles together with part boundary screen fence.

Babsham Business Centre Babsham Lane Bersted

Thank you for your internet representation made on 20th August 2019 which has been recorded as '**an objection**' with the comments as follows:

Following on the from the grant of consent to Southern Recycle which increases heavy lorry movements in and out of a residential cul-de-sac, this application of granted will increase such movements yet again. There is a public footpath/cycle lane adjacent to the vehicle entrance to the site, users of which will not be alert to heavy vehicle movements, and the cycle route crosses Babsham Lane near its junction with the A259, further increasing the risk of accidents. This location is not suitable for daily multiple HGV movements and the Authority is exposing residents and other users of the lane to unnecessary risk and nuisance in granting such applications.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
