19th. August '19

Dear Mrs. Dannatt,

Planning Application: BE/89/19/PL
Change of use of land at Babsham Farm

We are writing to request that you make a visit to our property in your capacity as the Planning Officer who has advised on this application.

The plan includes the erection of a 2.4m close boarded screen fence on the SW boundary of the site immediately adjacent to an existing 1.7m brick wall which runs along the NE boundary of our property. According to the plan, an area of existing vegetation directly beyond our boundary wall is to be 'retained' and it is our contention that the proposed fencing would serve no useful purpose but rather, to the contrary, would impact in a negative way on this property and the other properties which back on to the SW boundary of the site.

It would be our hope that were a Planning Officer to make a visit so that this reasonable concern could be demonstrated, the applicant might be advised to withdraw this feature of the plan.

We note that Ms M Tomolova is named as the Case Officer, and that Mrs. J. Grieves is also named in connection with this Planning Application. Should it be necessary to contact either of these officers regarding the contents of this letter, we would appreciate that you advise us accordingly. We look forward to hearing from you at your earliest convenience.

Yours faithfully,

Mrs A Ayres/ Mrs C Mahy
