Maria,

We agree to the change of description as suggested.

The storage of equipment and plant refers to powered hand tools, cement mixers, petrol generators and other similar small scale plant required for general building work.

Kind regards,

Michael,

Please see below suggested change of description and we need your agreement.

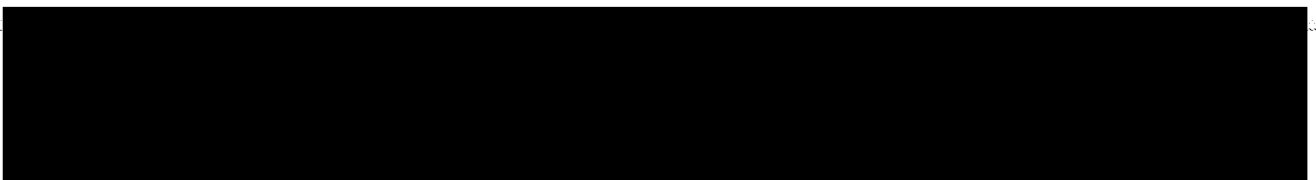

Meanwhile Mrs Koolbergen the most recent representation has caught my eyes;
Would the applicant be able to supply a definition of what is meant by 'storage of equipment and plant'.

Is it possible to be more specific to satisfy the above?

'The change of use of land for the storage of building materials,
equipment & plant & for the parking for fixed body vehicles together
with part boundary screen fence with a secure gated access point to the site.'

Kind regards

Maria
