

Mrs Elizabeth Barlow
254 Chichester Road
West Sussex
PO21 5AX

27/11/13.

Dear Sirs

I have a copy
of planning application
REF BE/91/13, but I do
not agree with part of it.
Where it states that I
do not use my right of
access is quite wrong.
Nurses, Dr, Postman, WILTS
MEALS, & Ambulance all
come to my front door.

At 92 yrs of age it will
not be too many years
before my son inherits this

2
Properly, ¹ he will need
full access for his
many Vintage Cars

The fact that there is
another entrance to
254 is immaterial to
the application.

Would ^{you} kindly write
to me.

Thanking you,

(M/S)

P.S please forgive my
writing, I have Carpal
Tunnel in my hands
