Dear Charlie,

Following our telephone conversation in relation to the below I can confirm that I will speak with Laura Gibbons in relation to the proposed condition on Tuesday when she is back in the office.

In the meantime I would propose an extension of time for the determination of this application until the **23<sup>rd</sup> November 2018**. I would be grateful if you could please provide written confirmation of your agreement to the proposed extension of time.

Kind regards,

David Easton

Dear David,

I have left you a message, but I would be grateful for an opportunity to talk through the aforementioned planning application for a temporary storage structure at Rolls -Royce Motor Cars.

We note the outstanding drainage issue, to which, we are minded to seek a suitably worded condition should this be acceptable to ADC (ensuring that suitable access to inspection chambers and the attenuation tank is maintained).

Notwithstanding this, R-RMC are looking to seek a further Temporary Structure on their site. I would be grateful to discuss this with you, prior to any decision being issued.

I am in the office for the remainder of the afternoon and on Monday – look forward to speaking with you.

Kind regards  
Charlie
