Dear Charlotte,

I will update the CIL form. However, upon further inspection the land registry plan isn't sufficient and a new location plan will be required. I have attached a link below to the planning portal where you can purchase an updated location plan

Dear Iqraa

As per our telephone conversation this morning please could you the following docs from my application:-

Use the same doc CIL for BE/90/21/HH for BE/91/21/L

Also please mark land registry doc title no WSX34763 outlined in black to red

Please confirm this ok and no further information is required
Many thanks
Charlotte Gillespie

Thank you for providing the additional information.

Could you please provide a CIL form for BE/91/21/L? Along with this, a location plan with a solid red outline is still outstanding for both applications.

Kind Regards
Iqraa Malik
