Nicola,

I hope you are well.

With regard to the letter we have received requesting further information, condition 38 has already been discharged based on the same information submitted for condition 41. Having spoken to Michael Eastham regarding condition 38, he suggested resubmitting the same information for condition 41.

I am still awaiting the final drainage report, but I wanted to get the application in.

As soon as I have received this information I will let you know and add it to the submission online.

Kind regards

Michael
