Michael

Further to your email, I've had a chance to discuss with Mango planning, and they have the following observations/comments:

The discharge of Condition 15 requires only the submission of specific documentation and plans. It does not require those plans and documents to be signed off or approved by the Council.

Insofar as the required documents and plans have been submitted, the Condition has been complied with and the Council is now in a position to confirm discharge of this condition.

In this regard, in our view there is no need to extend the determination period. We will however agree to its extension to Friday 13th August so that you are able to issue the discharge letter this week.

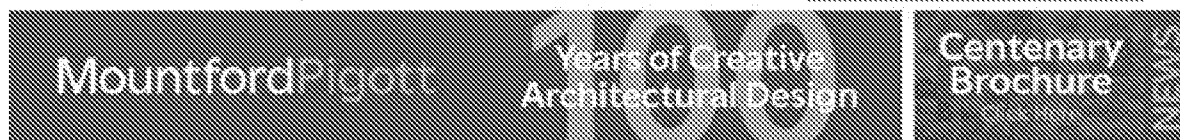

Kind regards

Michael
