Dear Michael

Thank you for getting back to me.

We agree to the extension, but if it is possible to get a decision sooner we would be grateful

As stated on the application form, work had already started and the building control officer has visited site. If you would like to visit the site, please contact Phil Polack, whose contact details were included on the planning application form

Regards

Rachel

Subject: RE: Planning application BE/93/19/PL

Dear Rachel,

I have just been given the application BE/93/19/PL by the previous case officer, Richard Castro Parker who works in the Eastern Area Team, and is on Annual Leave for a week.

I work in the Major Applications Team (Strategic Development Team) and it is committee closing so I am focussing on my committee reports on Major Planning Applications.

I have not carried out a site visit for BE/93/19/PL, nor have I completed the delegated report on your application.

Please could I have an extension of time (EoT) to **Friday 29th November 2019** to determine this application?

Kind regards,

Michael
