Dear Simon Davis / Craig Milligan ,

Please find attached below a lighting plan and images of the outside lighting .I have asked the electrician to see if there is a data sheet available for these lights which I will forward on as soon as one becomes available . None of the light from the house or Garage extends beyond out boundaries in general the outside lighting is minimal

Soffit lights , set in soffit 5 in front soffit 3 in rear soffit each light is LED 5 watts pointing down (MARKED A on diagram) approx 3 m light spill

20 watt flood light LED , fitted 2m above ground level , approx light spill 10m(marked B on diagram)

Twin LED spot lights fixed 2.7m above ground level each light is 7 watts , approximate light spill of 7m.(marked C on diagram)

Thank you Chris Tomkins

Dear Mr Tomkins,

Please see attached comments received from Environment al Health regarding the lighting details. Please can you supply the details that they request to me by the 28th July.

Please can you also copy in craig.milligan@arun.gov.uk when you respond as I am away next week and won't be able to pass on your email to Craig until I am back in the first week of August.

Kind Regards

Simon J Davis MRTPI
